Laptop computer owners face a quandary when looking for the perfect laptop bag. After all, its not just your laptop that youll probably be toting around. Theres also your wallet, keys, paperwork, reading material, and so on. Fortunately, V7 has plenty of quality laptop bags to choose from. No matter what type of bag you prefer for your laptop computer, V7 has a bag tailored for you.

Designed for Comfort and Style

Those looking for a different style should check out the V7 Edge Frontloader that provides convenient access for laptops with up to 16.1-inch screens and any other essential electronics. The V7 Edge Frontloader features a removable shoulder strap and cushioned handles for easy comfort while traveling. Its ergonomic design provides unsurpassed comfort with roomy accessory pockets for a portable mouse, an MP3 player, cell phone, business cards and pens making this bag the space saving solution that offers maximum functionality.

Protection

A dedicated padded laptop section is designed to fit up to a 16.1-inch laptop. The V7 Edge Frontloader takes out the calculated risk of damage in exchange for less padded bags.

Organization

As a portable workstation, the V7 Edge Frontloader has ample room for storage and includes a key clip, four pen loops, netted accessory pockets, cell phone pocket, and a separate file section.

Ergonomics

The bag features padded shoulder straps keeping hard edges away from you and the cushioned front and back halves of bag handles make the bag more comfortable to carry in allowing for maximum weight distribution.

Materials

The bag is well made with durable 600-denier Gucci polyester with red polyester accents. The bag is rugged enough to withstand the pokes and prods of office furniture, security conveyors, slinging into trunks, daily jostling, and even the adventures of "off-roading" when the great outdoors calls.
